Two Bears little bear and big bear go on a picnic and Charlie horse is invited with their friend foxy but the Picnic goes upside down when they meet the Giant .

Two Bears little  
bear and big bear  
go on a picnic and  
Charlie horse is  
invited with their  
friend foxy but  
the Picnic goes  
upside down  
when they meet  
the Giant .

There is a little house . In the woods  
where Ellie the Elephant and little Bear live.

Badger and Rabbit got a big branch from a tree and said “Hold on tight!” and were pulling Star out of the pond. Rabbit said “You really are a Star.” “What did you think I was?” said Star. Badger said “Well, we usually see stars in the sky, not in our pond.”

Illustration 2

Star told Badger and Rabbit how he got lost from all the other Magic Stars.

“Can you help me to get back home please?”

“Well,” said Rabbit, “if you’re magic why can’t you magic yourself back?” Star said he had lost his power.

Badger said “Why don’t you try?”

Star pointed his little thumb at all the stars in the sky and said “Take me back home please,” but nothing happened.

Badger said “Let’s go and see the Wise Owl, he will know what to do.”

Illustration 3

Soon they arrived at the Wise Owl's house which was a big oak tree. Wise Owl flapped his big wings and flew down next to them.

Illustration 4

Star told Wise Owl how he got lost and fell out of the sky.  
Wise Owl said “Hoo hoo hoo” “How do you feel Star?”  
“I feel a little cold” said Star, “and wet” said Rabbit  
“Then you must go home and go to bed before you catch  
a cold, and have some warm soup.”  
“How can he go home he can’t fly?” said Rabbit.  
Wise Owl said “Hoo hoo hoo” “Then someone will have  
to give you a bed for the night.”  
Rabbit said he would ask Mrs Rabbit.

Illustration 5

Mrs Rabbit tucked Star into bed and gave him a big yellow bowl of carrot soup which he drank.

“Thank you very much,” said Star. “That was very, nice.” The two baby rabbits were very, very naughty and were jumping up and down on the bed. Mrs Rabbit said “No don’t do that children let star have a good night’s sleep”.

Illustration 6

The next morning all the animals brought Star something to keep him warm.

The brother and sister sheep brought Star one of their old coats. And said, “How do you feel today, Star?” “A little bit better, thank you” said Star.

Wise Owl brought Star one of his old spare wings and asked if he felt a little bit warmer.

“A little bit warmer, thank you,” said Star.

Badger saw that Star had changed colour and was getting hotter and hotter.

Illustration 7

Wise Owl said “Hoo hoo hoo!” “Quick Star, get out of bed or the bed will catch fire!”

Star jumped out of bed and ran out of the open back door down the field and all the animals run after Star.

Illustration 8

Star ran up and down the field as fast as he could and all the Animals said, “Run faster Star!”

Star ran faster and faster!

Wise Owl flew at the side of him saying “Run faster, Star, run faster!” and Star got hotter and hotter.

Illustration 9

All at once there was a loud bang and Star flew into the sky and all the animals said “Hooray, hooray! Star can fly!”  
Star said “Thank you for helping me.”  
Badger said “Are all the stars in the sky magic?”  
Star said “Yes.”  
Rabbit said “Can animals be Stars?”  
Star said “Yes, anyone can be a Star if they are very, very good.” All the animals said “Will you come back and see us again, Star? ” Star said he would, then waved goodbye.

Illustration 10

And every Moonlight Night after that, Star is the brightest star in the sky, and all the animal's wave at Star and Star waves back.
